Tuning My Heart Quilts, LLC

Block 9: Apple Pie

Finished Size: 12" x 12"

Fall is now in the air. Growing up this always meant a trip out to the apple orchards near Hood River, Oregon for fresh cider and apple pie. No wonder that Apple Pie is the inspiration for this month's block.

I hope you will consider joining my Facebook Sew Along Group. I love seeing what you make! There are quilters of all levels sewing along with me there and it is such a treat for me to get to know each one through this group.

Debra

Cutting Directions

From Red fabric cut:

A-(cut 2) $5\frac{1}{2}$ " x $5\frac{1}{2}$ "

From Background fabric cut:

B-(cut 8) $3\frac{1}{8}$ " x $3\frac{1}{8}$ "

C-(cut 4) $2\frac{1}{2}$ " x $4\frac{1}{2}$ "

From Pink #1 fabric cut:

D-(cut 4) $2\frac{1}{2}$ " x $4\frac{1}{2}$ "

From Pink #2 fabric cut:

E-(cut 1) $4\frac{1}{2}$ " x $4\frac{1}{2}$ "

Note: If you are making the queen size quilt you will need to make only one of this block.

Color it Your Way

Making the Rectangle Pairs

Join the C and D rectangles together as shown.
Press towards C. (I usually prefer pressing to the dark side, but for ease in piecing the block together I am making an exception here.)

You will have a total of four of these units which should measure 4½” x 4½”.

Making the Flying Geese Units

(1) Place two B squares on top of each A square as shown.
Draw a diagonal line across both B squares.

(2) Sew ¼” from each side of the drawn line.

(3) Cut apart on the drawn line. Press towards the B triangles as indicated by arrows.

(4) Lay another B square on top of the units just made, as shown. Draw a diagonal line down the middle and sew ¼” from each side of the line.

(5) Cut apart on the drawn line and press towards the small triangles as indicated. You will have four Flying Geese units.

(6) Trim the Flying Geese units to $2\frac{1}{2}$ " x $4\frac{1}{2}$ ". You will make a total of eight of these Flying Geese units.

(7) Join the Flying Geese units into pairs as shown to create four of these units. Press as indicated.

These units should now measure $4\frac{1}{2}$ " x $4\frac{1}{2}$ ".

Putting the Block Together

(1) Lay out the Flying Geese Units, the Rectangle Unit, and the E square as shown. Watch the direction of the Flying Geese Units to be sure they are each going in the right direction.

(2) Join together into rows matching seams. Press as indicated.

(3) Join the rows together matching seams and pinning as desired. Sew slowly over those bulky seams. Press as indicated to finish the block.

The unfinished size of this block now measures 12½" x 12½"

A Note about Copyright: The pattern itself is copyrighted. Basically, please do not make copies of my patterns for others in either print or digital form. I would love it if you would direct people to my website to download their own copies of my patterns; in this way you will be thanking me for my work and supporting what I provide to you.

Yes, you can sell your items made from my patterns.

Any physical items you create with my patterns are yours and there are no restrictions on what you can do with them. So go ahead and enter them in show, sell them, donate them for auctions, etc. You are not required to mention Debra Davis or Tuning My Heart Quilts in any way.

However, it does help me out a lot when you do.

When you share the project and tell your friends about me and my quilt designs and tutorials, it helps me stay in business and support my family. I really do appreciate it when you share and let others know you found my quilting tutorials and patterns helpful.

So attribution is not required, but definitely appreciated!

Please pay it forward and pay it back and let me know when you create a quilt from one of my patterns. You can send me an email via my website or even tag me on Facebook **@tuningmyheartquilts** if you like. If I see it I will be able to comment back to say thank you!
